

FALL CLEAN-UP WEEK: SEPT 25 TO 29

The District of Stewart is having a FALL Clean up week this year to help the community tidy yards and get ready for winter.

During this week, Public Works will pick up extra refuse such as raked grass, leaves and branches, scrap metal, wood, and even derelict vehicles.

Please have extra waste all sorted accordingly in sections; placing yard material in plastic bags or cartons to assist with pick up. Please pile metal and wood separately.

PLEASE NOTE:

- Vehicles **MUST** have batteries & tires removed and **ALL** fluids drained;
- Any recyclable items that are accepted at Border Town Recycling **MUST** be taken to the depot at the old pool building.

Please call the District office only when waste material is ready—there will just be 1 pick-up per household: (250) 636-2251

*If you take waste to the landfill during these dates,
there will be no tipping fees.*

Landfill Hours:

Sept 25-29 from 1pm to 3pm and
Saturday Sept 30 from 9am to 4pm
