

DISTRICT OF STEWART

Canada's Most Northerly Ice-Free Port

Attention: Owners of Dogs in the District of Stewart

Council wishes to bring to your attention the following requirements for dog ownership if you own a dog in the District of Stewart:

In accordance with Section 4.2 of Bylaw 815, Animal Control Bylaw for the District of Stewart, all owners of dogs shall obtain a dog licence for their animal. The annual licence fees are as follows:

| | |
|--------------------------|---------|
| Unneutered/Unspayed dogs | \$25.00 |
| Neutered/Spayed dogs | \$10.00 |

It is the responsibility of owners to have their dog on a leash and under control when the dog is off their property. Owners must also ensure that their dog does not chase, attack or bite a person or an animal. Dogs are not allowed to howl, bark, cry or make other noises where such howling or barking disturbs or is likely to disturb persons in the neighbourhood or vicinity. It is the responsibility of owners to "pick up" after their dog to ensure public property can be enjoyed by everyone. Also, private property must be kept clean of animal waste to ensure the property is not unsanitary or offensive to neighbours. For the betterment of the community as a whole we respectfully request all dog owners to adequately control their dogs, on and off their property.

Purchasing a dog licence and ensuring the tag is on your dog's collar will be beneficial if you become separated from your dog in Stewart, or any other community: The information on the dog tag enables District Staff to determine ownership, and assist with reuniting you with your pet. If you have not obtained your dog licence for 2018, please come into the office and pick up your tag.

Failure to obtain a licence or noncompliance in the other points addressed above may result in issuance of a ticket.

Sincerely,

Gord Howie
