

The District of Stewart's Emergency Management Program is updating the **One Call Now** registry, and we want to make sure your contact information is up to date!

### **What is One Call Now?**

**One Call Now** is an automated notification system that sends recorded and transcribed messages using phone, text, email and app group messaging.

The District of Stewart mainly uses **One Call Now** to notify people and provide direction during an emergency event. This service allows us to reach every registered number within minutes.

### Information you can register with One Call Now:

- Name
- Home phone number
- Cell phone number of each family member
- Email address

### **The District also maintains a list of vulnerable persons that may need extra assistance in the event of an emergency:**

#### **What is the District of Stewart's Vulnerable Persons List?**

The Vulnerable Persons List is a list of people in the community who may need extra assistance during an emergency. Seniors, families with disabilities, families with young children, families without vehicles or anyone who identifies as needing extra assistance may register.

#### **How to I get on the Vulnerable Persons List?**

When you register for One Call Now on the reverse side of this page, you can ask to be included on the Vulnerable Persons list or just drop in, call or email and ask to be included on the list. Know someone that should be on the list? Let us know!

# Update your Emergency Contact Information!

Fill out this form and drop it off at the District of Stewart Municipal Office  
or email to [admin@districtofstewart.com](mailto:admin@districtofstewart.com)

If you would like to register for One Call Now, please list **Full Name**, and preferred **method of contact**: Phone Number and/or email address of all residents in your home:

Name	Phone Number	Email Address

Collection of Personal Information: One Call Now collects personal information for the purpose of notifying individuals of emergency Communications. The information you submit will be stored in or accessed from a location outside of Canada – you consent by signing up for this service. You may withdraw your consent at any time by unsubscribing to the service

Please check if you would like to **include your household on the Vulnerable Persons list** & provide your physical home address on the line below:

---

*Thank you for updating your information*

**Connect with the District of Stewart's Emergency Program Coordinator today:**

- if you have questions about the Emergency Management Program, or
- if you would like to volunteer your skills in emergency planning and response
