## **Water Service Line Break**

**Please note that the morning of October 11<sup>th</sup>, 2018 a Contractor working on the water system accidentally severed a service line at the end of 2<sup>nd</sup> Avenue & Brightwell Street resulting in disturbance to the water system.**

**The break has been repaired, however there is still a possibility you may notice discoloured water. If this occurs, run your cold water tap until the water runs clear.**

***If you have any questions or concerns please contact Public Works at (250) 636-9123***
