

Love this place.
Reduce your waste.

Regional District of
Kitimat-Stikine

Interested in how we manage garbage?

The Regional District of Kitimat-Stikine is developing a new **Solid Waste Management Plan** to provide direction for how waste is managed in our region for the next decade. You can participate in several ways:

- Read information
- Attend open houses

- Complete surveys
- Provide comments

- Request a meeting or workshop

- Join the Public & Technical Advisory Committee

Help improve waste reduction, reuse, recycling and disposal programs in our communities by joining the **Public and Technical Advisory Committee**.
