

DISTRICT OF STEWART

Office of the Mayor

July 18, 2019

On behalf of the District of Stewart I would like to extend a warm welcome to the District's new permanent Chief Administrative Officer, Tammy McKeown and am pleased to introduce her to our community:

Tammy has been a Northern BC resident since birth. She grew up in Prince George, and in 2012 relocated to Hudson's Hope. Following 16 years working for the Federal Government, Tammy moved into Municipal Government. She has worked as the Corporate Officer for the District of Hudson's Hope since 2016, and for the last year, mentored the Interim CAO so that he can fully assume the role of Chief Administrative Officer for the District.

Tammy has been working towards finishing her final two courses towards the completion of her Bachelor of Business Administration. She is working towards her Emergency Management Certificate and has taken numerous courses through the Local Government Association to assist her with the many tasks associated to her position in Local Government.

Tammy and her husband are avid outdoor enthusiasts; enjoying boating, fishing and hunting.

Tammy is looking forward to joining the District of Stewart, not only as the Chief Administrative Officer, but as a member of this wonderful community.

Gina McKay
