

DISTRICT OF STEWART

Office of the Mayor

FOR IMMEDIATE RELEASE: April 11, 2019

2019 Community Child Care Space Creation program

On behalf of Council, I am elated to announce the District of Stewart has been successful in their grant application submitted to The 2019 Community Child Care Space Creation program in the amount of \$585,731.

The Stewart Child Care Centre will be an invaluable asset. It is perfectly aligned with Council's mandate to not only make Stewart an inviting place for those looking to call our community home, but to improve the daily lives of those who already do.

I would like to thank the staff of the District of Stewart for the hard work and tenacity that allowed this vision to become a reality. And to the Province of BC under the Canada-British Columbia Early Learning and Child Care Agreement, for the funding that would otherwise make this an impossible task for a community of our size.

Regards,

Gina McKay
Mayor
