

Light Equipment Operator — Full-Time Position

Issue Date: August 18, 2026

Closing Date: September 1, 2026

Job Level: Full-Time Position

Posting # 2026-027

The District of Stewart is inviting applications from enthusiastic individuals, focused on delivering exceptional service to the community alongside a dedicated team.

THE DISTRICT OF STEWART is currently seeking applications for one (1) Light Equipment Operator to support Public Works operations.

The successful candidate will join a dedicated team that values collaboration, mutual respect, and a willingness to support one another in delivering exceptional service to the community. At the same time, this position offers a high degree of independence and responsibility in the day-to-day operation of light equipment.

This opportunity provides meaningful work, ongoing learning, and significant potential for growth and advancement for the right individual. The successful candidate may have opportunities to pursue additional certifications and advance into senior operational roles within the organization.

Tasks, Preferred Experience & Attributes

Duties:

The Light Equipment Operator is responsible for the safe and efficient operation and minor maintenance of light mobile equipment (Plow Trucks, Garbage Truck, Sweeper, Skid Steer, etc.), as well as the performance of manual duties such as: snow removal, sidewalk clearing, and drainage ditch maintenance, and other duties as assigned.

Requirements:

- Applicants must be able to legally work in Canada
- Grade 12 Education or equivalent
- Class 5 Driver's License with Air Brake Endorsement or better (Please provide a current driver's abstract)
- Proven ability to follow direction, but self motivation to finish tasks and address what needs attention.
- Safe work attitude
- Considerable experience in the operation and servicing of light mobile equipment in a safe and efficient manner
- Good physical condition and the ability to perform heavy manual labour
- Ability to work independently in the accomplishments of tasks
- Ability to deal effectively with co-workers and the public
- A Class 3 Driver's license would be an asset.

Desirable Attributes:

- Experience with public works functions, including roads, water, wastewater, facility maintenance as well as parks care.
- Experience with the use and maintenance of public works tools and equipment
- First Aid Certification
- Preference given to those with Small Water Wastewater Certification

***This position is covered by the Collective Agreement between the District of Stewart and CUPE Local 1804.
The current rate as of January 2026 for this position \$38.99 per hour.***

TO APPLY:

Send your resume and cover letter explaining why you are interested in this role, and how your attitude and experience can make you a great fit!

Email to: Jessica Hill at: jhill@districtofstewart.com or in person to the Municipal Office: 705 Brightwell Street

We thank all applicants, however only those being considered for an interview will be contacted.
