

Unpermitted disposal of Controlled Waste has occurred in the past within the Municipality boundaries and the District is taking steps to prevent this from happening in the future and to ensure that all waste is disposed of properly and in the appropriate locations.

To learn more about what constitutes Controlled Waste, and the location(s) that accept Controlled Waste, visit the District of Stewart website at [www.districtofstewart.com](http://www.districtofstewart.com) and follow the pathway from '**Services**' to '**Garbage & Recycling**' to '**Transfer station**'.

On this page you will also find the Bylaw Amendment titled "**Hazelton and Highway 37 North Area Waste Management Facility Regulation Bylaw No. 688, 2017**".

Bylaw No. 688,2017 will provide you with all of the necessary information to understand the process of disposing of all types of waste in the Regional District of Kitimat-Stikine.

Information on obtaining a permit for disposal of Controlled Waste and the Controlled Waste Application Form can be found on the Regional District of Kitimat-Stikine website at [www.rdks.bc.ca](http://www.rdks.bc.ca)
