Welcome To Our New Chief Administrative Officer

The District of Stewart is pleased to extend a warm welcome to Todd Francis as the District's new Chief Administrative Officer

“I am very excited about the opportunity to work here in Stewart BC.

Working for small, quaint, and vibrant community like Stewart has been my goal for a while now; it offers many of the amenities I was looking for as well as a professional challenge.

I will work hard to be a part of this amazing team and provide the leadership that Mayor and Council expect so the community can grow and prosper.

Thank you.”

Todd Francis, CAO
