

District of Stewart

Official Community Plan/Zoning Bylaw Update

Community Survey

The District of Stewart is currently undertaking an update to our Official Community Plan (OCP) and Zoning Bylaw. As part of this process we are seeking input from our residents. The input received from this survey, as well as future engagement activities, will help set the direction for future land use planning in Stewart.

We are inviting all residents, every member of your household, to complete their own survey. Surveys can be completed online at:

<https://www.surveymonkey.ca/r/MPC58TM>

Paper surveys are also available at the District Office, and can be returned to the District once completed.

The surveys will be tabulated by an independent agency and will remain anonymous and confidential. It is also important to note that some of the questions may relate to issues that the District only has indirect influence on. Regardless, we want your input to provide guidance to key stakeholders on these issues.

The survey will be available online until **May 14, 2021** and takes approximately 10-15 minutes to complete.

Thank you for taking the time to complete this survey! Your ideas and thoughts are vital to the future growth and development of Stewart. We will work to reflect your concerns and ideas within these key community documents and we will provide feedback on how public input influenced their development.

If you have any questions or concerns, please contact **Tammy McKeown, Chief Administrative Officer, at 250-636-2251.**
